

How to Qualify for Child Care Vouchers

(All vouchers are issued by the Mississippi Department of Human Services)

Vouchers will cover after-school, pickup, and dance for part-time students. The voucher will also cover full-time rates during summer months and times students are out of school for holidays or school closure days. The qualifications are as follows:

- Applicant parents must work at least 25 hours per week.
- Meet the median income rates seen below.
- Be able to provide the requested information with proper documentation.

Median Income Rate

- One child-38,999
- Two children-48,999
- Three children-56,999
- Four children-65,999

Should you need assistance with the application you can call DHS directly at 1(800) 877-7882.
